Cincinnati, December 15—The liquor
establishment of W. Walter & Co., recently seized by government officials, was released to-day, after an investigation by
collector Pullan, there appearing to be no
violation of the revenue law.

The jury in the Tom McGeban case, at
Day on, Ohlo, has been obtained after
several days effort.

Some of the iron merchants are compishing the tollay and a committee
pishing the tollay and a committee
appointed to investigate it.

Fog and smoke were so issue in the
city this forence that it was like twilight
up to noon. Gas was burning in mearly
all business houses, and on change lights
were not extinguished till half-past
twelve, while outside the city it was one
of the brightest mornings of the winter.

Measure, Kerr and Wood should have
raised objections to the bill, and that they is
ad objections to the bill, and that they is
ad objections to the bill, and that they is
and had their attention called to be
feet that no subject was looming up in
the near future that demanded more care
would withdraw the motion to lay the
bill on the table, and either consent to
having a single day set spart for its consideration, or else permit its passage at
this time.

Mr. Kelly, of Pennsylvania, thought
that congress should authorize the appointment of the proposed commissionera. This government could not afford to
to permit laboring people in any portion
of the proposed commissionera. This government could not afford to
to permit laboring people in any portion
of the laboring people of England, France
or seliginm. Congress should look to it
that they, whose skill and toil

## THE GALLOWS.

John Ware a Parriolde, Hung at Camden, New Jersey.

PEILAL ELPHIA. December 15.—The exception of John Ware, for the murder of secution of John Ware, for the murder of the father, took place at Camden, New his father, took place at Camden, New his father, took place at Camden, New clearing sympathy with the Cubana, and demonstration. He wrote a long confession no agitation. He wrote a long confession his tright, which he gave to his counsel, liast night, which he gave to his counsel, in which he says that he killed, his father because he ill-treated his John Ware's) because he ill-treated his John Ware's becau

THE FEDERAL LEGISLATURE. Yesterday.

A joint resolution was introduced by Mr. Dawes, donsting cannon for the soldiers' monument in Pittefield, Massachusetts. Mr. Snapp offered a resolution for the abolition of printing and transporting

Several private bills passed. Mr. Slocum presented a petition for the eduction of duty on rice. Mr. Garfield, from the committee on spwere at supper. ropriations, reported a bill authorizing be accretary of the tressury to purchase, I private sale or by condemnation, the smainder of the square of ground on the secretary of the tressury to purchase, at private sale or by condemnation, the

remainder of the square of ground on which the postoffice building at Chicago recently stood, not now owned by government. If the same cannot be procured at a reasonable price, then purchase areas ndon has quite a sensation over the fact certain extreme ritualists refused to pray as recovery of the Trince without special at reasonable price, then purchase some courts, pension, and internal revenue offices. The bill appropriates \$2,000,000 and provides that the total cost of site and building shall not exceed \$4,600,000. He explained the features of the bill, and adexplained the features of the bill, and advecated its prompt passage.

Mr. Randall moved to strike out that part of the bill limiting the selection of the old site to within two squares of the locality of the old costoffice. He thought such limitation would place the government in the power of real estate combinations.

Investigations show that William E. Howard & Co. and M. W. Miller, who

signs.

Colonel Lawrence, a wealthy old gentleman form Eigh, illitods, while temperarily insane, exterday, jumped from a third-story window of the American house. Boston, and was so severely injured as to put his life in serious danger.

A bill was yesterday introduced in the California legislature to allow Cyrus W. Field and his associates to construct telegraph lines, and to land eables for an inter-occanic telegraph to China and Japan—either direct or by way of the Hawailan islands.

Mr. Platt spoke against the amendment. She is a commission and banking as windlers.

Sheriff Brennan yesterday seized the Mew York Manufacturing Stationers office, both creatures of the ring, to astisfy the company's protested not be fact that the postoffice buildings in New York and Boston were to cost \$3,000,000 each, and to accommission.

It is stated by persons intimate will be family that the alleged return of Mr. A. J. Garvey is a canard. Her brothe A. J. Garvey is a canard. Her brothe

buildings in New York and Boston were to cost \$8,000,000 each, and to accommodate only the postoffice and the United States courts.

Mr. Rundall advocated Mr. Holman's amendment, contending that \$2,000,000 (Garvey would surrender himself in thirty-six hours. He is not in Europe, building. He shought the allusion to but in Canada, and his wife is with him.

a washington dispatch says that Charles is lies, of the coston firm of Mellen, Ward & New York and Boston customhouses raise and profigate expenditures of the public money, and by enlargement of the public money, and profigate expenditures of the public money, and profigate expenditures of the public money there are the constituents would rejice the thought his constituents would rejice the theory of the firm which had been encared the ferror of the public money of the firm of the constituents would rejice the thought his constituents would rejice the thought his constituents would rejice the triand

at all.

Mr. Kelly replied that he was not unking charity; he was only asking that the
government should deal with generous
justice to a stricken people; that there
was no charity in the proposition. Institute to a stricken people; that there is a stricken people; that the people is a stricken people is the people is a stricken people is a stricken people is the time and the people; that the people is a stricken people is a stricken, and is peo After discussion she bill for the Chicago matemhouse was passed, with a limita-ion of the amount to \$4,000,000.

THE INTERNATIONALE.

The bonse passed an appropriation bill to carry out the Treaty of Washington and then adjourned until Monday.

Declaration of Principles -- The Procession Next Sunday.

WASHINGTON, December 13,-In the dis on contemplating the relief of isboring sen, would be fairly considered and ap proved. There is a cry of discontent from the laboring classes. In this country these are the State. There is no nobility [Mr. Hear forgot the bondholders and national bankers and shoddy ] He said that congress ought not to feer the light, or to take hold of this question. Let the sick, he said, be brought into the sunlight, and they would get well. He did not place the bill on the judgment or reendation of the committee alone commendation of the committee alone. The slight expenditure proposed was due to the judgment of laboring men themselves. The labor party of his own State last summer had recommended the passage of this very bill, and had, although politically opposed to the Republican party, expressed its gratification and respect for that party in consequence of its giving attention to this matter.

The grand international association of Your, December 15.—Co COMPARATIVE STATEMENT The grand international association of men, an organization which per vaded Europe, and which was making its voice heard and its power folt every-where, had also saked of congress for this special measure. He was not competent NEW ORLEANS, December 15 .- Co

to express an opinion on the interesting story told in the petition of the commune.

Of events which took place in Parie last summer, the other side of the story had not been heard. [To this fact the APPRAL has often adverted.] But one thing was insi speash, presented Speaker with an alegant gold-based down, that there was a cause in existence and an objection even, which had led those working people in Paris—young men of over 20.00 ultabilizate to the amount of \$000,000 was reamended and passed its third amount of \$000,000 was remained and passed its third amount of \$000,000 was remained and passed its third amount of \$000,000 was remained and passed its third amount of \$000,000 was remained and passed its third amount of \$000,000 was remained and passed its third amount of \$000,000 was remained and passed its said the second of \$000,000 was remained and passed its said the second of \$000,000 was remained and passed its said the second of \$000,000 was remained and passed in existence and an objection even, which had led those working people in Paris—young more and an objection even, which had led those working people in Paris—young more and young was a cause in existence and an objection even, which had led those working people in Paris—young more and young working people in Paris deaths calmiy, heroically, cheerfully as ever a bridegroom went to his marriage feast; and he did not believe that the and mineral plans passed third reading.
After recess, Mr. Marris, from the committee appointed to investigate the sale of the Memphis city coupens, presented a minority report which among other things, exempts thomps to be Pennebake. from biame.

Mr. Crews thought the proof about not be set due until the majority report, which is ender consideration in the Senata, had been brought into the house.

After describing, the report was received, but not soved on.

raised objections to the bill, and that they

Their toli, and resources, and capital, were quite enough to banish poverty from the isnd, except as the result of intemper-New York, December 15 -At the meeting of the Internationalists last evening, an address was adopted declaring that the an address was adopted decising that he case of the working classes, who have always fought for the liberties of the down-trodden, is the cause of internationalism. Resolutions were offered declaring sympathy with the Cubans, and denouncing the administration for its atlitude on the Cuban question.
